Tudor Professional
is a Member Company of the
Western World Insurance Group
A.M. Best Rating A+ (Superior)
Category VIII

- ▶ **Trade Association** — President approved an investment in excess of the amount that the by-laws allowed without approval from the board of directors. Members sued for fiscal mismanagement.
- ▶ **Social Service Organization** — Contract employee sued after being terminated for blowing the whistle on patient abuse by other employees at a care center for the mentally disabled.
- ▶ **Country Club** — Waitress sued the club and the general manager after being fired in retaliation for her refusal to tolerate sexual harassment against her by the general manager.
- ▶ **Economic Development Corporation** — Sued by a grant recipient of a three-year grant when their project lost funding after only one year due to the corporation's claim that the project in question was a failure.
- ▶ **Social Club** — Sued by members who were suspended for inappropriate behavior. They claimed that their memberships were suspended without cause and they sought injunctions and damages.
- ▶ **Foundation** — Government grant given to the foundation to finance an international event was not enough to cover the expenses of the event. Government brought suit against the foundation as monies were used for other purposes than financing the event.
- ▶ **Civic Organization** — A building expansion undertaken by a YMCA resulted in financial problems and a lawsuit was brought by its members for mismanagement of funds.
- ▶ **Chamber of Commerce** — After three years of positive performance reviews, a new general manager fires a 68-year-old employee for incompetence. The employee claims wrongful termination based on age discrimination.
- ▶ **Community Action Center** — The Executive Director was terminated due to unauthorized spending of the center's funds. The executive director then sued for wrongful termination.
